

The image shows a modern loft interior with red brick walls, large arched windows, and industrial-style columns. The space is open and bright, with a concrete floor and a ceiling featuring exposed pipes and track lighting. The text "RYABOV LOFT" is prominently displayed in the center, with "event space" written below it. The overall aesthetic is industrial and contemporary.

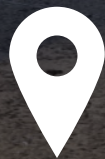

RYABOV LOFT

event space

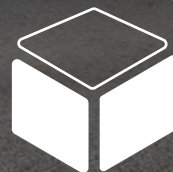

Современное лофт пространство
для мероприятий любого формата

The image shows a spacious interior of a modern building with red brick walls. A large, dark, cylindrical pillar stands in the center. The walls feature several large, arched windows with black frames. Each window has a built-in seat with cushions. Track lighting is mounted on the ceiling, and a modern, multi-colored pillar is visible near the right wall. A radiator is placed under one of the windows.

Локация. 5 минут от м. Тульская

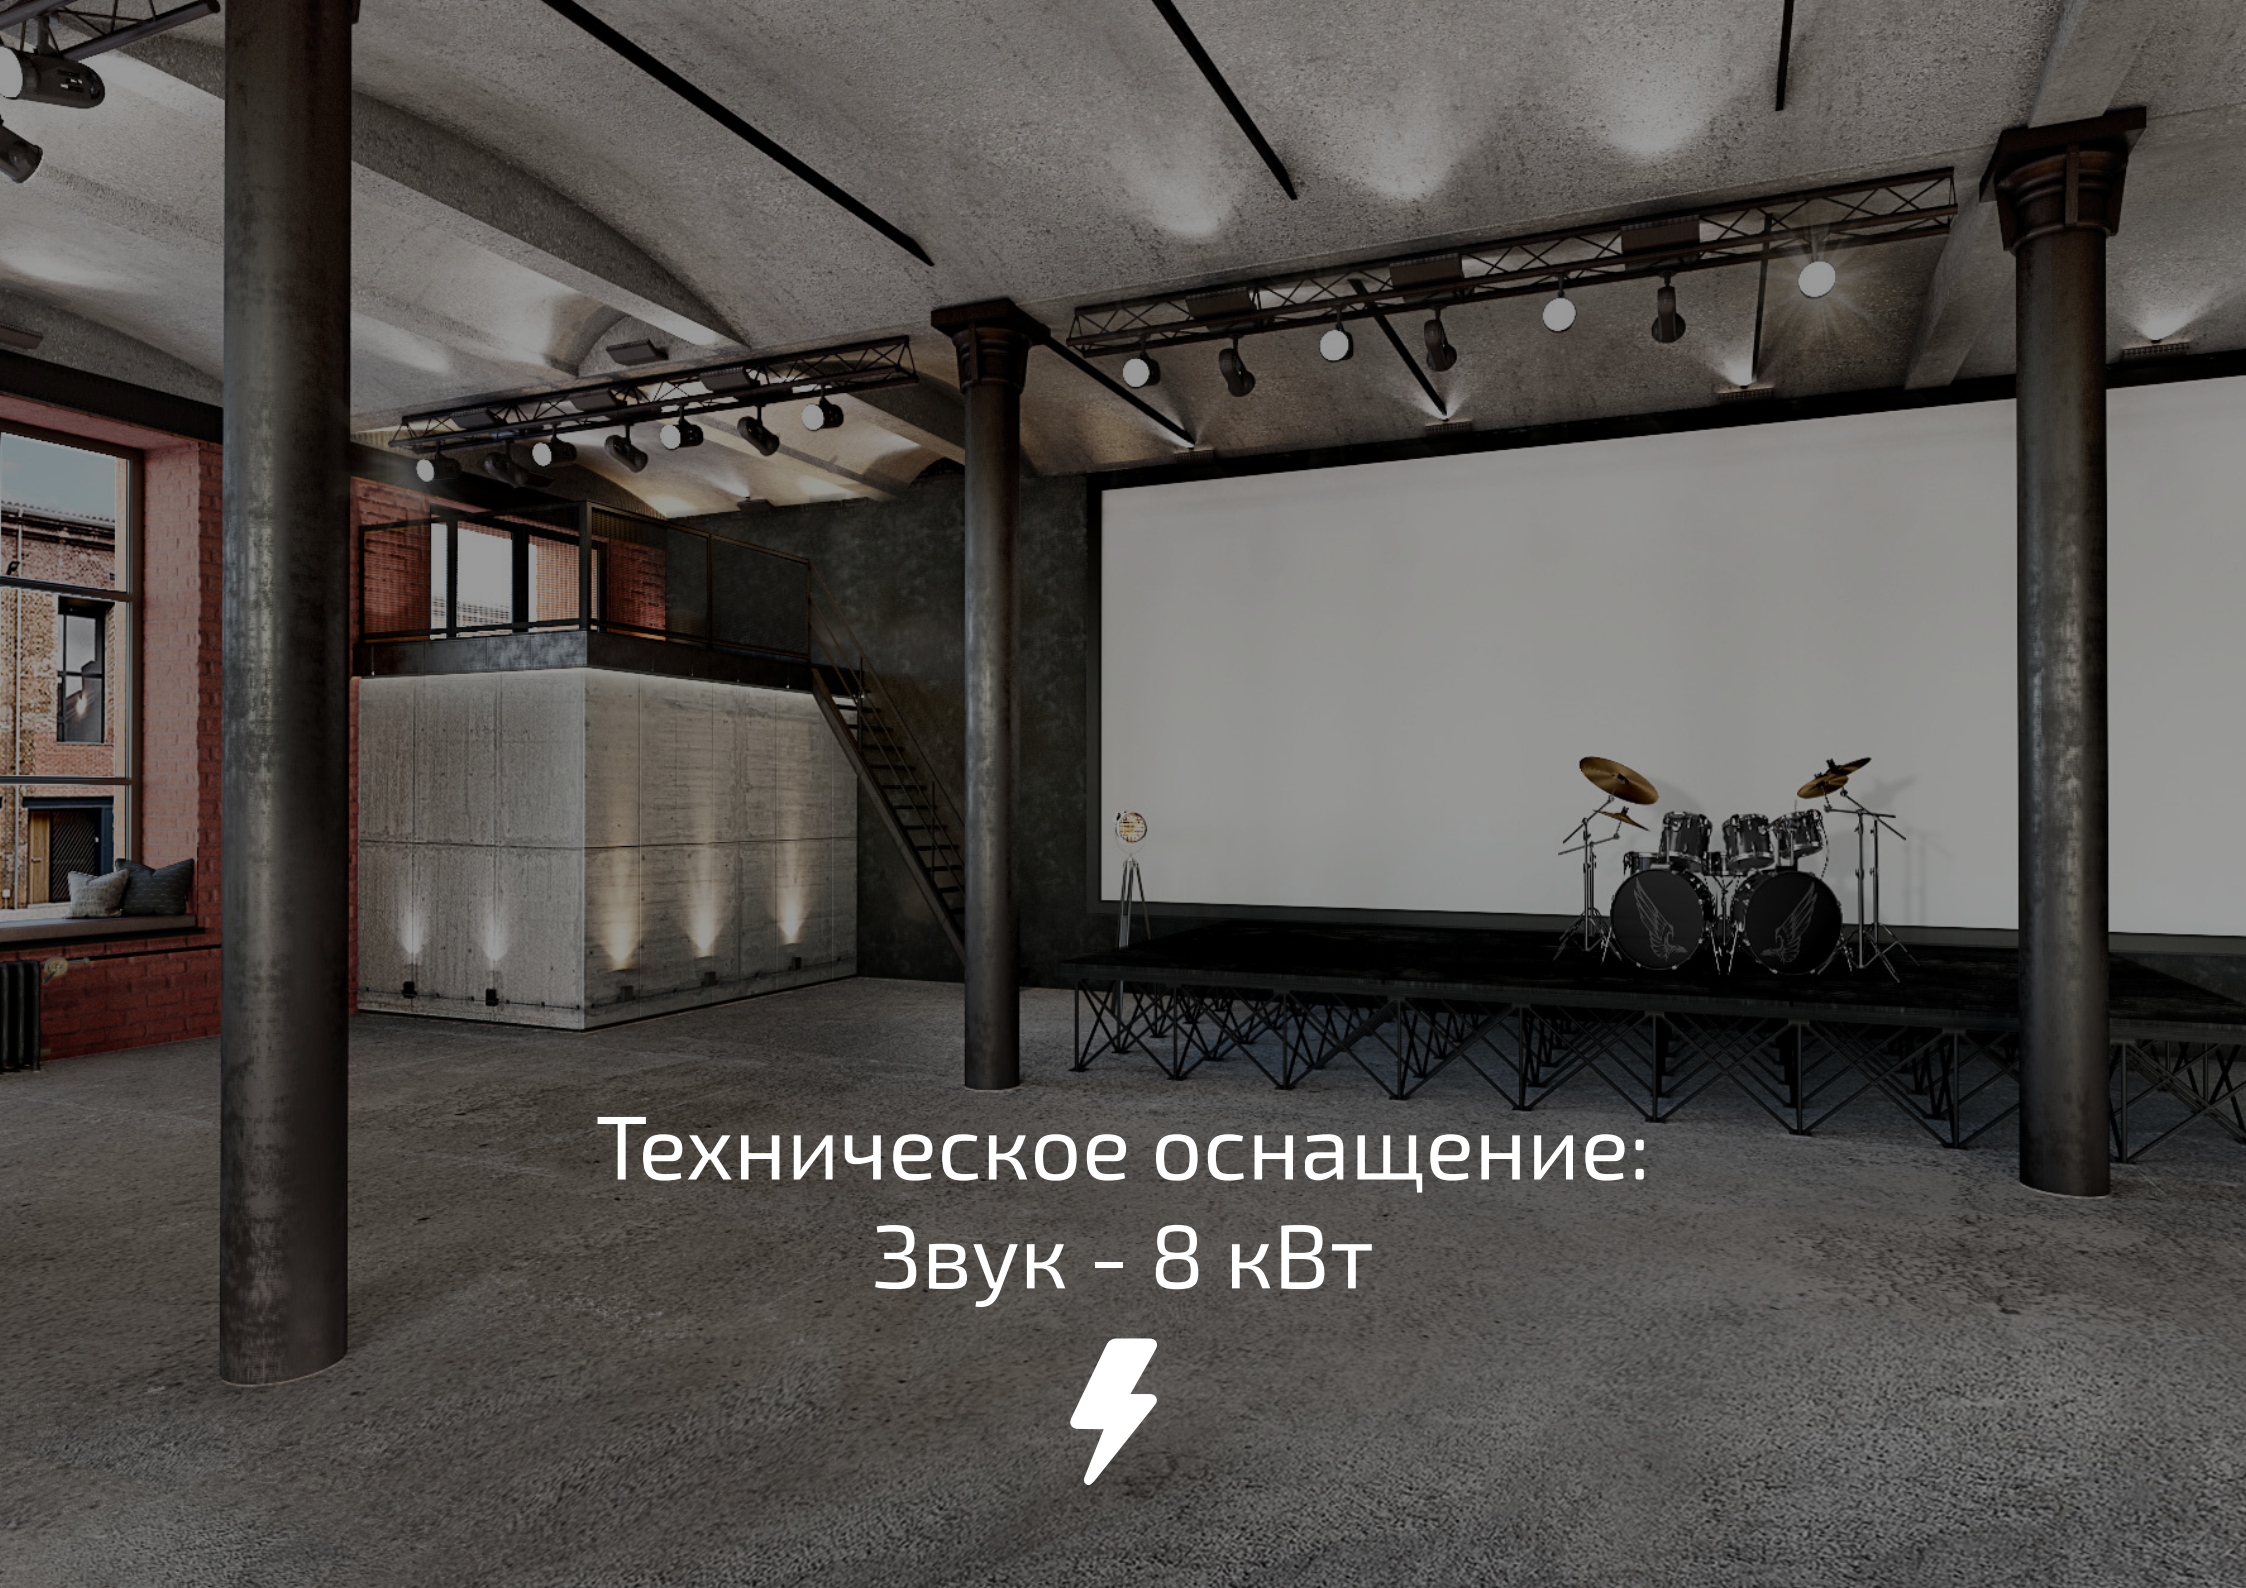

Общая площадь пространства - 320 м²

Банкет - 150 человек
Фуршет - 250 человек

The image shows a large, open-plan interior space with a high ceiling and exposed concrete beams. On the left, there is a concrete structure with a staircase and a window. In the center, a large white screen is mounted on a black metal frame. To the right of the screen, a drum set is set up. The floor is made of dark, textured material. The overall aesthetic is industrial and modern.

Техническое оснащение:
Звук – 8 кВт

The image shows a modern interior space with a mix of materials. On the left, there are large glass doors and windows framed in black, looking out onto a brick building. The interior walls are a combination of red brick and large, light-colored concrete panels. A window seat with two cushions is visible. In the center-right, there is a large, multi-level concrete structure that appears to be a staircase or a platform. The ceiling is dark with exposed metal trusses and several spotlights. The floor is a smooth, light-colored concrete.

Туалетные кабины - 4 шт.
Гримерки

Отдельная VIP комната на 15 человек

The image shows a large, open-plan interior space, likely a converted industrial building. The walls are made of red brick, and the ceiling is high with exposed concrete and a network of black metal trusses supporting numerous stage lights. Several large, dark columns support the ceiling. Large windows with black frames are set into the brick walls, some with built-in window seats. In the foreground, a black stage with a metal truss base is partially visible. The floor is a smooth, light-colored concrete.
